### Can you commit to three hours a week for your health?

Each class is different and we focus on different aspects of the body each week. Get Fit Camp will push you to be your best, and provide you with the tools to sculpt your body at a healthy pace.

Get Fit Camp offers a variety of classes held throughout the week.

Locations for camp include the gym and at various parks in the Vegas area.

Get Fit... Do it Right is an intimate personal training studio that emphasizes "Living Fit." You won't feel intimidated to get in shape like you do at the oversized gyms. **It's like having your own personal gym!!** *Dann Solomon*
